

YARD SPRAY

Environmentally friendly BugDeFence™ Mosquito Repellent rapidly controls biting and flying insects, with no harm to your landscape.

BugDeFence Yard Spray Solution is a concentrated natural insect repellent for outdoor landscapes. It effectively reduces the number of flying and biting insects. The non-toxic ingredients are environmentally friendly and 100% biodegradable.

Simply attach **BugDeFence Yard Spray** to the garden hose and apply to lawns and other outdoor leisure use areas. Safe to use around plants, water, people and pets.
